Dear Randy,

We couldn't have done it without you!

You are one of the major reasons the New Beginning Campaign topped its \$750,000 goal **ahead of schedule**. We are deeply grateful for the key role that you played, not only in securing gifts for the campaign, but also in opening your heart and contributing so generously.

The collaboration among our boards, volunteers and the staffs of Kiwanis International and our foundation shows what really can be accomplished when we work together as one. The beneficiaries will be our members, clubs, districts and, most importantly, children and their communities.

Thank you for your leadership on the campaign steering committee to implement our vision of a unified, stronger Kiwanis dedicated to improving the lives of children in need around the world.

Yours in service,

Paul G. Palazzolo
